

FCS is dedicated to academic excellence and is a fully-accredited school.

TESTIMONIAL...

“We are currently enrolling our triplet daughters for their ninth year at Freedom Christian School. Our girls are individuals with three distinct learning styles. We are confident that each of our children is receiving an outstanding academic education. In addition, they are being taught Godly principles and moral character that will equip them to make right choices and live successful lives becoming all God has called them to be.

We truly believe that Freedom Christian School and their excellent staff is a gift from God to our family.”

Dr. Christopher and Dana Regules

Freedom Christian School... *Learn to Soar!*

FCS is a K-12, interdenominational, college preparatory school committed to academic excellence and spiritual discipleship to equip students for leadership in a global society.

Faculty:

Our staff consists of highly qualified, experienced, credentialed instructors whose lives are dedicated to Jesus Christ and to the personal development of their students—spiritually, academically, socially and, physically. The low student-to-teacher ratio, after-school tutorials, and personal oversight by a caring faculty enable students to achieve their goals.

Classes:

FCS offers inter-disciplinary, biblically-integrated courses from elementary through high school. All elementary students receive instruction in Bible, Spanish, French, sign language, music, art, computer technology, and physical education in addition to their core subjects of math, science, history, language and reading. Middle school and high school class listings include innovative and challenging courses (such as creative writing, journalism, speech, drama, art, sign language, computer technology, physical education, apologetics, logic and ethics, critical thinking, Spanish, music, chemistry, physics, and advanced mathematics courses) in all subject areas to prepare graduates for success in the future.

Extracurricular Activities:

Elementary and middle school students may choose to be involved in a variety of Christian league sports, while high school students may participate in CIF (California Interscholastic Federation) league sports such as volleyball, soccer, cross country, basketball, and golf. Other extra-curricular activities include student government, homecoming celebrations, spring banquets, science fairs, creative writing festivals, buddy programs, awards programs and more.

“Freedom is not about doing whatever you want; but having the power to do what you ought.”

-Lord Acton

...but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

-Isaiah 40:31

Mission Statement:

Freedom Christian School is committed to provide a Biblically-based, academically excellent education in a nurturing, family environment so its students can effectively accomplish the purpose for which they were created and impact the world for Christ.
